Ms. Klunk handed out an information flyer and talked about the phased approach starting with a 1-mile radius from the schools and then expanding from there. This committee would collaborate and work with the Conservation Commission and Bow Open Spaces.

The Board would like Ms. Klunk to work on a charge for the committee to bring back to the Board for review.

Chair McDaniel for the sake of everyone's time moved Agenda Item No. 7, Acceptance of Merrimack Conservation Partnership Grant – Ferry Road Conservation Area to this point in the agenda.

VII. DISCUSSION / ACTION ITEMS

Chair McDaniel being respectful to everyone's time decided to move Agenda Item No. 10 Ordinance No. 25-07 – No Parking Zone on Stack Drive.

Town Manager Stack had Director Sweeney go and measure the parameters for potentially no parking signs on Stack Drive from the easterly side of the property line of 14 Stack Drive and all the way up to the corner 150 ft. on one side up to the intersection.

There was back and forth discussion on how this would impact neighbors, and if you place no parking signs on one side, is that going to make individuals park on the other side instead. Concerns on whether the State can override the town were discussed as well. There was also discussion about fire and police being able to get into that neighborhood if there are cars parking on both sides of the street.

Comments were heard from residents Matthew and Jen St. Cyr sharing their concerns about the parking and through traffic and overall safety.

The Board would like to have the Fire and Police Chief give their recommendations.

Follow up:

- The Board would like to amend the ordinance to put on both sides of the road and not have it go in only one direction for 14 Stack Road, but have it be substantial on either side of 14 Stack Drive so that cars are not able to park near that facility on the road, they have to park in the facility. Measure that out to the intersection and figure out what an appropriate distance is from the other direction from 14 Stack Drive.
- The location sited as a distance from Stack Drive on both sides.

Draft minutes of the select board meeting dated December 9, 2025, are being provided for informational purposes only. Draft minutes have not been reviewed by any member of the Select Board for content or accuracy and have not been adopted by the Select Board. Neither the Select Board nor the Town assume any responsibility related to the use, distribution of, or republishing of these draft meeting minutes.

- Communicate on the Town Facebook page to the residents of Stack Drive that the Board would like to hear from them concerning parking on Stack Drive.

Facilities Manager Chris Andrews is requesting permission from the Board to enter into an agreement with Fidium to fully upgrade the Town's communications connectivity in this year's budget.

The Town currently relies on a fragmented system involving three different vendors. This complexity leads to significant issues. When a system failure occurs, it is difficult and time-consuming to determine the root cause. All three current vendors have independently confirmed that the existing systems are in critical need of a complete audit of current systems and an upgrade.

A MOTION was made by Vice Chair Brennan and seconded by Selectman Flanagan to approve Mr. Andrews request to enter into an agreement with Fidium. in the amount of \$5,500 that includes the audit. MOTION PASSED 3-0-1. Selectwoman Colby abstained from voting.

VIII. PROPOSED FY 2026-27 BUDGET REVIEW

The Board discussed the FY 2026-27 Budget and noted the following:

- Paving warrant article: this could be cut by \$83,000, and the paving line item would still be in decent shape.
- Health insurance: is on the conservative side what the impact would be not utilizing family plan. Director Lindner took two of the five open positions and made them a two-person plan that came to a reduction of \$19,073.
- Motor vehicle revenue: could be increased by \$50,000, with the growth the town has seen year after year.
- Ambulance billing: the way the department bills ambulance services now the town would not see any significant changes with that new legislation.

The estimated tax rate with the budget changes from the last budget review meeting would be \$4.83, which would be a 4.3% increase from the current rate.

Selectwoman Colby clarified for the Board the question of COLA increase included those that had step increases as well.

Director Lindner updated the Board on the paving of Hall Street and Brown Hill Road and why that was being postponed.

To: Board of Selectmen

From: Tonia Lindquist, Administrative Assistant

Subject: Senior Parade

Good afternoon, Board,

Matt Fisk, Principal of Bow High School is requesting permission from the Board to have a senior parade on June 6, 2026, at 11:00 a.m.

The route will be the same as last year starting at the Public Works Building and then going over to Knox Road crossing Logging Hill Road and ending at Falcon Way in front of the high school.

I reached out to Tim, and both Chiefs for their review (see attached) and all three had no issues and Chief Miller will be assisting with police coverage for the parade.

Thank you.

Good Morning and Happy New Year.

I am writing to ask if the town will approve of Bow High School having our Senior Parade on Saturday, June 6th at 11:00AM? We were hoping to do the same route as last year which began at Public Works, went to Robinson Road, over to Knox Road (Crossing Logging Hill) and ending on Falcon Way in front of the high school. This has usually been 15-20 minutes in totality.

Chief Miller, last year we had two duty officers assist and myself and other school administration are there to supervise the students.

Thank you for your consideration.

All my best,

Matt

Section 2. Effective Date. This amendment shall go into effect upon passage.

Adopted by Board of Selectmen: DATE

David Stack
Town Manager

TOWN CEMETERY

AFTER-HOURS ACCESS PERMIT

This Permit is issued by the Town of Bow, New Hampshire, Board of Selectmen, as the entity authorized in accordance with RSA chapter 289 to manager and supervise the Bow Town Cemeteries identified in §109-16 of the Bow Town Code, to _____, having an address of _____ (“Permit Holder”).

- I. PURPOSE: The regular visiting hours of the Cemeteries are as set forth in §109-3 of the Bow Town Code (“Bow Town Cemeteries”). Notwithstanding these regular business hours, the Town of Bow recognizes that there is no uniformity to the grieving or mourning process.

The Town also recognizes that all persons should be given the respect and dignity of paying their respects to those interned in the Bow Town Cemetery in a way that recognizes that individuality, so long as it is done in a manner that does not pose a risk of harm to the individual or others in the community.

Therefore, the purpose of this Permit is to allow for a limited waiver from the provisions of §109-3 of the Bow Town Code to allow for off-hours visitation to the Bow Town Cemetery.

- II. AUTHORIZATION: The Permit Holder is authorized to enter the Bow Town Cemetery to visit Plot _____, designated as the gravesite of _____ at a time other than regular cemetery hours. The authorization under this Permit shall remain in full force and effect until either this Permit expires or the Permit is revoked pursuant to the terms herein.

- III. ASSUMPTION OF RISK: In exercising any of the privileges authorized under this Permit, the Permit Holder acknowledges that the Permit Holder wishes to exercise said privileges of the Permit Holder’s free will, without duress or undue influence, and that risks and dangers may result not only from Permit Holder’s own actions, inactions, or negligence, but also from the actions, inactions, or negligence of others, the condition of the Bow Town Cemeteries, and any access ways or grounds thereof. Permit Holder further acknowledges that exercising said privileges and entering into Bow Town Cemeteries off-hours carries the risk of injury, including but not limited to sprains, strains, fractures, serious bodily injuries, or death that may arise from uneven topography, low visibility, concealed or partially concealed monumentation or structures, amongst other risks associated with entering into a cemetery off-hours. Permit Holder understands and acknowledges that Permit Holder is voluntarily engaging in these activities, having considered the risks involved, and voluntarily and freely chooses to assume all risks associated with the exercise of the privileges conferred herein.

- IV. RELEASE OF LIABILITY: Permit Holder hereby irrevocably fully and forever releases and discharges the Town of Bow, its officials, employees, agents, successors, and assigns (collectively, the “Released Parties”) from any and all liability, claims (including negligence claims), demands, lawsuits, actions, rights of action, and any other liability of any kind, of or to Permit Holder, Permit Holder’s property, or any other person, whether known or unknown, directly or indirectly arising out of, concerning, or relating to Permit Holder’s exercise of the privileges conferred by this Permit, even if it is due to the negligence, omission, or other fault of the Released Parties. This release applies to any and all losses, damages, injuries (including death), or expenses, including attorney’s fees, that Permit Holder may sustain as a result of Permit Holder’s exercise of the privileges

conferred herein. Permit Holder, in executing this Permit hereby releases and waives all claims that Permit Holder may have based on the ordinary negligence of the Released Parties to the fullest extent permitted by law arising from or related to Permit Holder's exercise of the privileges conferred herein.

V. INDEMNIFICATION: Permit Holder agrees to indemnify and hold the Released Parties harmless from any and all claims, actions, suits, procedures, costs, expenses (including legal fees), damages, and liabilities, including attorney's fees, arising out of the exercise of the rights conferred by this Permit. Permit Holder shall reimburse the Released Parties if anyone makes a claim against the Released Parties in connection with Permit Holder's exercise of the privileges conferred herein, including, without limitation, any accident Permit Holder may be involved in or any injury, loss, damage to me, other parties, or property, however caused.

VI. COVENANT NOT TO SUE: Permit Holder will not initiate any claim, lawsuit, court action, or other legal proceeding or demand against the Released Parties, nor join or assist in the prosecution of any claim for money or other damages which anyone may have, on account of injuries (including death), losses, or damages sustained by Permit Holder, other parties, or Permit Holder's property arising out of, concerning, or relating to Permit Holder's exercise of the privileges conferred herein. Permit Holder waives any right Permit Holder may have to do so. This means that Permit Holder cannot sue to hold the Released Parties responsible for any injury, loss, or damage sustained by Permit Holder, other parties, or Permit Holder's property, even if it is due to the negligence, omission, or other fault of the Released Parties. Permit Holder waives Permit Holder's insurer's right to make a claim against the Released Parties based on payments by insurers to Permit Holder or on Permit Holder's behalf for any reason.

VII. CONDITIONS: The privileges conferred by this Permit are conditioned on the following:

- a. The rights conferred by this Permit shall lapse automatically after the passage of three-hundred and sixty-five days of the date of the issuance of this Permit.
- b. Permit Holder shall not bring any alcoholic beverages or controlled substance into the Bow Town Cemeteries.
- c. Permit Holder shall comply with all other provisions of §109 of the Bow Town Code.
- d. Permit Holder shall, at all times, conduct themselves in a respectful manner and shall not make excessive noise, commotion, or other conditions which may constitute a nuisance to surrounding properties.
- e. Permit Holder shall deposit all waste, garbage, or rubbish in provided trash receptacles or shall otherwise be carried out when Permit Holder leaves the Bow Town Cemeteries.
- f. Permit Holder shall not sleep at or on any gravesite in the Bow Town Cemeteries.
- g. Permit Holder shall restrict their visit to visiting the Plot identified in Section II of this Permit.
- h. The privileges conferred by this Permit are non-proprietary and may be revoked by the Town, by and through its Select Board, at any time, for any reason or no reason at all.
- i. The rights conferred by the Permit to the Permit Holder are individual to the Permit Holder or to Permit Holder's minor children and may not be transferred, conveyed, or assigned to any third party.

VIII. ENFORCEMENT: The Town of Bow Police Department shall be authorized to enforce the provisions of this Permit and are authorized to remove Permit Holder from any Bow Town Cemetery, in addition to such other authorized actions as may be permitted under the laws of

the State of New Hampshire. Violations of the terms and conditions of this Permit may be grounds for revocation of the Permit by the Select Board.

IX. SEVERABILITY: In the event that any provisions of this Permit is deemed unlawful by a court of competent jurisdiction, then the Court shall be authorized to modify the terms of this Agreement to the minimum amount necessary to make said term or condition valid, lawful, and enforceable.

Issued by the Town of Bow Select Board on this ___ day of _____, 2025.

Ross L. Cunningham, County Administrator
Merrimack County
333 Daniel Webster Highway, Suite 2
Boscawen, New Hampshire 03303

Re: Request for Quotation
Removal from Merrimack Community Power

Dear Mr. Cunningham:

This letter is being directed to you in your capacity as Principal Executive Officer of the Merrimack County Community Power Council, as set forth in Attachment 2 of the Merrimack County Community Power Electric Aggregation Plan, approved on March 8, 2024 ("MCCP EAP"). Attachment 2 of the MCCP EAP identifies that you, as County Administrator, are the Principal Executive Officer of Merrimack County "for the purposes of implementing Merrimack County Community Power."

Attachment 2 identifies that the Merrimack County Community Power Council is responsible for "[a]pproving the withdrawal of municipalities from the program that have subsequently elected to implement their own Community Power Program," which is subject to Section 7 of Article VII of the Community Power Coalition of New Hampshire's ("CPCNH") Member Services Contract: Complete Service Bundle ("Member Services Contract").

Article VII of the Member Services Contract states that, after passage of the 12-month period after CPCNH's initial launch, a member of CPCNH may either (a) terminate the Member Services Contract by providing thirty-six (36) months' notice, (b) should the Member wish to terminate the Member Services Contract sooner, seek the "minimum waiting period under which the Member would have no costs for withdrawal," or (c) should the Member wish to terminate the Member Service Contract during the aforementioned "minimum waiting period" deposit "sufficient funds with CPCNH" to "cover the Member's liability for the costs" related to the "resale of power" to serve Bow's load. See Article VII, Sections 2, 4, and 5 of the Member Services Contract.

The Town of Bow is assessing whether it is in its best interest to withdraw from Merrimack County Community Power and, by extension, the CPCNH. For that reason and in accordance with Attachment 2 of the MCCP EAP and Article VII of the Member Services Contract, the Town of Bow respectfully seeks to have MCCP identify:

1. The Minimum Waiting Period that the Town of Bow would be required to remain a member of Merrimack County Community Power without incurring a "cost for withdrawal" and
2. The Cost for Withdrawal should the Town of Bow wish to withdraw from Merrimack County Community Power and CPCNH during the Minimum Waiting Period.

The purpose of this communication is not to formally withdraw from either Merrimack County Community Power or CPCNH. However, your prompt attention and provision of this information is critical for the Select Board of the Town of Bow determining what course of action is within the best interests of the Town of Bow and its residents.

Thank you for your time and attention.

Very Truly Yours,

Kip McDaniel, Chair
