AGENDA

Monday, April 5, 2021 (revised 04/01/2021)

1. APPROVAL OF FEBRUARY 2021 MEETING MINUTES

2. TASKS FROM LAST MEETING / OLD BUSINESS

Ms. Klevens

- Obtain water quality testing for the decommissioned *observation* wells for the Municipal water system to evaluate baseline salt levels.
- Obtain initial water quality testing results for the Municipal *production* wells.
- Check with the Department of Public Works on the latest green snow pro training for the department employees; on the water drainage features in the vicinity of Observation Well #6 to evaluate potential sources of road salt; and on the inventory of town stormwater structures and maintenance data;
- Check with WhiteWater as to when they will be performing the next round of BMP inspections in the Municipal Well Head Protection Area (WHPA);
- Check with NHDES on the latest water balance and leak detection testing reports submitted by the Town;
- Send out the draft Source Water Protection Plan Activities 2021 document to the members for review/edits.

Ms. Waskin

- Review the SWPP Activities Table 10.b language regarding water conservation activities.

Ms. Snegach

- Check with BRC if the annual water testing report could be sent electronically.

ALL

- Review and submit comments to Ms. Vachon on the Source Water Protection Plan draft summary for the webpage.

3. NEW BUSINESS

- Member term renewals.
- Bow Junction water line extension timeline.
- 2021 Private Well Testing and Info Session planning.
- Conceptual plan for development off Page Road and potential effects on drinking water

Next Meeting – **May 3, 2021 at 5:30 pm**. What topics should be covered?
