DRAFT Minutes

The working meeting of the Bow Conservation Commission was held on Monday March, 2022, at 7:00 PM in Room C of the Municipal Office building at 10 Grandview Road. Chair Sandy Crystall called the meeting to order at 7:02 PM.

Members present: Sandy Crystall, Alexander Grene, Bob Ball (arrived at 7:05 PM), Dik Dagavarian, and Tina Blanks.

### Items for Consideration/Discussion

#### Proposed subdivision- Parcel 13-4-82, Wetland CUP #402-22, re: Macauley OS-RD #502-22

Ms. Crystall noted that the site walk that had been scheduled was cancelled due to the weather and will be rescheduled at the next Planning Board meeting, therefore there were no new plans submitted and the applicant would not be presenting anything at this meeting. The members looked at the plans, reviewed the wetlands and proposed crossings and discussed potential questions to the developer which could be asked at the sitewalk. They also read the abutter comments and noted which ones they could verify at the site visit.

Ms. Crystall said that she will inform everyone about the new time for the site walk and will post a link with a full plan set.

Chair Crystall distributed NRI report hard copies.

#### Commission web pages - progress

Ms. Crystall noted that she will keep working on editing and creating more content for the newly proposed tabs that have not been addressed yet.
