Goals: Young adults involved in Exploring will: Gain practical knowledge of and experience in a career. Have a chance to learn and grow in a supportive, caring, and enjoyable environment

Exploring is Learning for Life's career education program for young men and women who are in 8th Grade.

The purpose is to provide experiences to help young people mature and to prepare them to become responsible and caring adults. Exploring is based on a unique and dynamic relationship between youth and the organizations in their communities. The result is a program of activities that helps youth pursue their special interests, grow, and develop.
