Yes? Save the date and **register** on the Bow Town Calendar!

*Pre-register by September 22<sup>nd</sup> to be entered into a free raffle for a Kill-A-Watt energy usage monitor!*

## What is an Energy Tour?

On the Tour, you'll go to homes in Bow to visit and speak with homeowners who are using cleaner energy sources or more efficient technologies. It's a unique opportunity to hear others' real life experiences and learn from one other!
