Dear Parents:

It is time to Pre-Register for the 2023-2024 Celebrating Children Program. This is a unique recreation program for 3-5 year olds designed to develop the whole-child through hands-on activities of music, sports, crafts and education. The program will run Monday, Wednesday and Thursday mornings from 9-12noon. We hold sports day on Tuesday from 9:30-10:15 am. Our student to teacher Ratio is 5:1.

Celebrating Children is part of the BOW PARKS & RECREATION DEPARTMENT. This program operates at the new Bow Recreation Center located at 21 Bow Center Road. Sports Day is held at the Bow Community Building at 3 Bow Center Rd. The program will run from September through May. A newsletter and calendar will be provided for each month of school.

Tuition for this 4-day program will be **\$2,880.00** annually for Bow Residents & **\$2,925.00** annually for Non-Residents. For your convenience, Tuition can be paid in monthly installment payments of \$320.00 for Residents & \$325.00 for Non-Residents due on the 1st of each month in addition to the \$65.00 Preregistration Fee. Enrollment is limited and is on a first come basis.

We look to the future at Celebrating Children with great anticipation & excitement!

Once the Preregistration Form and Fee has been sent back to us, then your child's slot is secure. In the event we are full, you can have your child placed on our wait list. Please fill out and return just the Pre-Registration Form. If you have any further questions, please contact us at Celebrating Children 228-2214.

Thank-you,

Alicia David, CC Director
